Dear Parents and Carers,

Re: OFSTED Inspection March 7th and 8th 2013

We are pleased to be able to tell you that the report following our recent OFSTED inspection has now been published and is available on our website (www.thegrovejunior.co.uk) or on the OFSTED website from 15th April 2013 (www.ofsted.gov.uk).

We are delighted that OFSTED have recognised our rapid improvement from our previous 'Satisfactory' rating in 2010 and our overall effectiveness is now judged to be 'Good with Outstanding' features.

We are thrilled that we have outstanding judgements; for behaviour and safety and leadership and management. The quality of teaching is now good throughout the school and in some classes outstanding. The progress of pupils is good in all years and outstanding in some.

The inspection team specifically commented on the exceptionally good behaviour of our pupils and said that 'Pupils' attitudes towards their learning are extremely positive and they enjoy their lessons and are keen to do their very best. They are proud of their work and their class achievements and represent the school with great pride.' We are very proud of all our children.

We would like to take this opportunity to thank all our staff team for their dedication and hard work. We feel very lucky to work with such a great team of professionals.

Finally, we would like to thank you for all your support. We look forward to continuing to work in partnership with you as the school moves forward.

Please do take time to read the full report in detail.

Yours sincerely,

Mrs P Bremner and Mrs J Tearle
Co - Headteachers
