

The Grove Junior School

Our local sports clubs

This is a list of the local clubs we have within a 10 mile radius of The Grove Junior School. If you would like to join or try any of these clubs, please visit their website and contact them directly. Although most clubs on here are kite-marked by their national governing bodies, it is important to note that the choice of club that you take your child to, must be right for them and yourselves as parents.
