

Weather

This half-term we are sure that you'll want to know the weather throughout the week so that before you organise anything - the staff walk for instance—you'll know what weather it is. Unfortunately, Ms Watters tells us that there is a staff walk on Tuesday which will collide very badly with the weather

Saturday 10th

It will be sunny and breezy

Sunday 11th

It will be sunny and breezy

Monday 12th

It will be sunny and breezy

Tuesday 13th

Hail showers and breezy

Wednesday 14th

Thursday 15th

Friday 16th

Saturday 17th

Overall the week is rather dull so I wouldn't go outside much throughout the holidays.
