- Is very experienced having worked with all year groups

Speaking to the Teacher

- This can be done ideally by a note given to your child to pass on, the school office or by email.
- Remember if I am downstairs with a parent I am unable to supervise the children in the upstairs classroom.
- Appointments can be made via the office or at the end of the school day.

Attendance.

- If your child is absent from school a written note is required upon their return in addition to phone calls that may have been made.
- If the downstairs door is closed you are late and will need to register your child at the school office.
- Collection: Collect your child from outside by the outdoor stage and remind them not to wander off. This helps us all to work together to ensure their safety. If home time arrangements change please inform your child's teacher in writing or send an email to the office.

School Behaviours

The 3 Rs

Respect – Respect ourselves, each other and our environment

Responsibility – taking responsibility for our actions

Resilience – to learn from our mistakes and always try our best, even when we find things difficult

Uniform

- Please ensure that your child wears the correct uniform in school. **All** items of uniform must be clearly labelled with your child's name including black school **shoes**. This is particularly important due to swimming!
- Long hair must be tied back using a colour co-ordinating hair band/bobble. Clip back long fringes.
- Please ensure that P.E kit is available at all times, with appropriate footwear. Please note all jewellery should be removed, or micropore may be used to cover studs.
- Please provide your child with a painting shirt or apron to protect their clothes during art lessons.

Medical

- Inhalers: Please ensure your child has an in date, named inhaler in school at all times. They are kept in a box in the bottom drawer of my desk.
- Epipens: Are kept centrally in school.
- Please ensure if your child wears glasses/hearing aid they have them in school daily and that we know about them.
- Inform me/the office of any medical conditions, changes or updates. This is vital particularly for **SWIMMING!**

Equipment

- Small pencil cases are allowed that will fit in their tray! Items should be labelled with their name as many items look or are the same. Blue ink pens/handwriting pens NOT BIRO!
- Please ensure your child brings in a named water bottle every day.
- Healthy snacks are allowed for break times – fresh fruit etc. NO NUTS!

WE HAVE CHILDREN WITH SEVERE NUT ALLERGIES IN SCHOOL.

Homework.

- As in all year groups we set spelling homework on a **Monday every week** and **test on a Friday through dictation.**
- We hand out weekly homework on a **Thursday** and collect it in on the following **Wednesday** at the latest.
- Learning Logs/ Maths homework will be set on alternate weeks. If your child does not complete homework they will be expected to go to homework club or stay in at break unless a letter is provided with a reason.(30-40 mins)
- Planners should be filled in **at least three times a week** and will be checked on a **Monday**. Please use a blue pen or pencil. Ideally read with your child (5-10 mins a day)
- We recommend that you listen to your child read as often as possible. Our Library slot is **Monday**.

Swimming

- We will be leaving for swimming at 9:25am sharp. Please ensure that all items are clearly labelled with your child's name, including towel, goggles, full swimming costume(girls), close fitting trunks (boys) and a swimming hat.
- Please provide a healthy nourishing snack on swimming days (fruit, carrot sticks etc.).
- Girls – no tights and trousers in winter if possible!
- Tie long hair back in a single ponytail.
- Ensure we know about all medical conditions,

Worries

- If you are concerned/worried about anything please email or come and talk to me.
- Your child can use the class worry box on the spare table to let us know confidentially about anything which is bothering them.
